Patterson Announces Promotion of Grace Lewis to Associate

ATLANTA, GA, September 2025: Patterson Real Estate Advisory Group announces the promotion of Grace Lewis to Associate.

"Grace's promotion is a well-deserved recognition of her hard work and leadership," said Bill Mealor, Patterson Co-Managing Partner. "She is a valuable member of the team who brings great energy to the office. We are lucky to have her and excited to watch her continue to flourish in this new role."

Grace joined Patterson in 2022 as an Analyst and served as a key member of the transaction team, responsible for underwriting investments and developments, preparing financial models, and processing investment offerings. As an Associate, she will take on additional responsibilities, including interfacing more frequently with capital providers and clients. Prior to joining Patterson full-time, Grace was a summer intern for Patterson, assisting the transaction team in the execution of debt and equity assignments. Since joining Patterson, Grace has been directly involved in the closing of \$450 million debt and equity transactions across a wide array of asset classes. Grace earned a Bachelor of Arts in Economics from the University of Virginia. She is a licensed Georgia Real Estate Salesperson and a member of NAIOP Georgia.

Grace Lewis, Associate

About Patterson

Patterson Real Estate Advisory Group is a capital placement and real estate finance advisory firm that represents owners, developers and investors seeking capital to leverage commercial real estate opportunities. Patterson arranges construction, bridge, mezzanine, and permanent financing while also coordinating equity and joint venture formations along with general finance advisory work. The primary focus is helping clients across different property types access investors at a variety of different levels of the capital stack, matching the specific need with the appropriate capital provider. Patterson has office locations in Atlanta, Charleston, Charlotte, Dallas, Nashville, and Tampa.
